SIR,

Subject: Repairs to MYZ/3531.

In enclosing a copy of letter No.STO.100/45-46 dated 14th/17th June 1946, from the Transport Officer, Food Supplies, Bangalore, reporting that 4 lorries had been sent to different workshops for repairs and overhaul, I have the honour to state that the Transport Officer was asked to furnish the previous history of the lorry and to submit estimates of repairs. He has since reported that the firm has calimed Rs.622-8-0 for repairs and replacement of parts i.e., Rs.500/- for repairs and overhaul and Rs.121-8-0 for supply of new parts to the lorry. The charges are stated to be reasonable and the repairs satisfactory. In addition to this, spare parts to the extent of Rs.476-10-0 are stated to have been purchased by the Transport Officer from Messrs.Reliable Motor Stores Ltd., Bangalore and supplied to Messrs.Srinivasa Automobiles for fixing on the lorry. A copy of letter No.T.O.695 dated 17th August.1946 from the Transport Officer, explaining the need for this is enclosed for information. The lorry in question is stated to have done more than 50,000 miles, having worked for Coorg paddy transport work during 1945 and for six months at Mandya and no major repairs have been effected to it for the last two years.

?? What does it mean?

2. In the circumstances, I request you to kindly obtain very early sanction of Government to the payment of Rs.622-8-0 to Messrs.Srinivasa Automobiles, Bangalore, for repairs etc., to the lorry and for Rs.476-10-0 towards purchase of spare parts by the Department for use on the lorry.

3. A further communication will be made in respect of the other three lorries.

I have the honour to be,

Repairs to 3515, 3501, 3502, 3531.

I have the honour to state that the four lorries referred to above require general overhauling and repairs and they have been entrusted to several recognised firms for repairs in view of the urgent need for lorries. All are Fords of 1941 and 42 model and have done nearly 45 to 50 thousand miles each. No major repairs are effected since their receipt. A detailed estimate will be submitted after the completion of repairs. The names of the firms to which the lorries are given are noted below.

1. 3515. Bangalore Automobiles.
2. 3501 Messrs. R.G.Anthoney & Co.
3. 3502) Srinivasa Autbmobiles,
   3531) Basavanagudi, Bangalore City.

2. Letter No:T.0.695 dated 17th August 1946, from the Transport Officer, Motor Venicles, Food Supplies Department, Bangalore, to the Additional Director of Food Supplies in Mysore, Bangalore.

Subject: Repairs to Lorry No.3531.

With reference to your letter No.TRC.262/46-47 dated 16-8-'46 I have the honour to state that Messrs. Reliable Motor Stores, Ltd, have claimed a bill for Rs.476-10-0 for the cost of spares supplied to the above lorry on our order. This amount (Rs.476-10-0) is not included in the bill of Messrs.Srinivasa Autbmobiles and is claimed for only for Rs.622-8-0 for the labour charges and the spares worth of Rs. 121-8-0 used by Messrs.Srinivasa Automobile for the overhauling of the lorry. That is the reason why, two individual sanctions one for Rs.622-8-0 and other for Rs.476-10-0 were sought for, in this office letter No.T.0.266/46-7 dated 13-7-1946.

Spares had to be purchased by the Department itself as they will be supplied only on producing the part-record-sheet of the respective lorry, on the authority of the owner of the lorry. That is why Reliable Motor Stores had to be addressed to supply the spare to Messrs.Srinivasa Autkomobiles, and to send the bill of cost to this office for arranging payment.

As the bills are kept unpassed at this office for want of sanction, I request you to kindly accord kind sanction for Rs.622-8-0 payable to Messrs.Srinivasa Automobiles (Rs.501/- for labour charges and Rs.121-8-0 for spares used) and for Rs.476-10-0 payable to Messrs.Reliable Motor Stores, Ltd., for the spares supplied for the use of the lorry No.3531.

I submitted the bill for repairs to MYZ 3531 lorry newly a month back. I hearx it has gone for Government sanction. Meanwhile I pray that at least 90% of the bill may be paid to me.

In the previous case as regards 3526 the Director was pleased to pay the bill in anticipation of sanction. I shall be very thankful if the same could be done now. The lorry was delivered to the Department more than two months back and it is running trips now. I had given a supplentary bill for Rs. 80/- which had been first disallowed and later on allowed. I pray that the said Rs. 80/- may also be included.

Thanking you.
